Dear Chapter Vice Presidents,

It is hard to believe in the very near future, we will be coming to the end of another ESA year. Every year we share our love of ESA with others in our lives. It is wonderful when we are able to welcome new and existing family and friends into our ESA family.

Each year at Convention we have the pleasure of honoring one of our newest members with the Gladys Bagley Schaefer Outstanding Pledge Award. The time has come for you to nominate your pledge for this award.

Attached you will find the nomination form. Please make copies if you have more than one pledge. The completed forms are due to me at the April Council Meeting, or postmarked no later than April 23, 2017.

I look forward to honoring one of our newest members with this outstanding award at Convention, June 3, 2017 at the Double Tree Hilton Suites, Tucson AZ.

Agape,
Joni Slama
