**SANTA MEETS THE
EASTER BUNNY IN APRIL**

At the April Council Meeting, the Alpha Omicrons are asking you to join us in celebrating Christmas in April!

Please do not forget to stop by the 99cents store or \$1.00 store and pick up your donation for the Singleton Mom Organization.

The Singleton Moms Is located in Phoenix and is designed help any one person (man or woman) with no spouse and children are eligible for services. Based on the amount of contributions and grants the organization gets, determines the number of families they can cover. The basics would be greatly appreciated: toiletries, paper items, cleaning supplies, food items, books and toys for the children, just to name a few.

I want to thank you for making their lives feel so special and for having the compassion to make their lives a little easier.

Love in ESA

It is spring. Flowers are in bloom and thoughts of summer have taken over our thoughts. As I write this article, we just came away from the Preferential Tea. It was a lovely day and if you went away hungry, it was not my fault. I had the awesome pleasure to welcome Pat, Juanita and Ann to the Arizona Council. I am sorry that Julie was sick and unable to join us. We will celebrate her at the next Council meeting. I want to thank my committee, Peri Patterson who handled registration, Donna McAvoy for the corsages, Wendy for supplying the trail mix on each table. I also send a big thank you to April and Loralei for helping with set up on the day. Sherry and Liz for helping me to welcome the new pledges and re-affiliates and Jacqui Smith for the wonderful invocation.

Please consider running for the Executive Board. It is a wonderful way to serve and learn more about the workings of the Arizona Council. Do you like to work with numbers? If so, we need a Treasurer. Do you like things in order, please consider running for Parliamentarian. You only need to commit to one year, but who knows; you may like it and want to continue on the Board.

Not only do we need officers, but we also need Chapter's to host Council meetings. Keep in mind that the meetings can either be on a Saturday or Sunday. So if you have a Church Hall or other venue that can only accommodate us on a Saturday, don't limit your options. Think outside the box. Last year, we met at a YMCA. We have also met at Church Halls, Elks Clubs and VFW's just to name a few. You don't need to limit yourself to a hotel. We really need to plan our Calendar for next year, so please get your bids in for the month you want.

Did you rush this year? Do you have a pledge that has gone above and beyond? Please make sure that you enter her/him in the outstanding Pledge competition. You can find the documents on the AZ Council Website. If you are having trouble finding the paperwork on the Council Website, give either myself or April Aguinaga a call. We will be happy to assist you. Reminder that the deadline for submitting your Outstanding Pledge and Rushing paperwork is the April Council meeting.

I wish you all a Happy Spring.

News From Beta Kappa

Although we have been VERY busy setting up this year's convention, your Beta Kappa sisters took time off to have some fun at Bunco for St. Jude on February 24th. We had 32 people attend and many for the first time. Several of the newcomers are regular Bunco players and loved our FUN rules and that there are NO LOSERS at our Bunco and vowed to return. The food and drink of the day was great and we raised money for St. Jude. What could be better than that? Now we're back planning a great 2017 ESA convention with a lot of surprises and fun. Yes, alcohol will probably be involved. (In a small way)

EASTER TIME FROM LIZ MONTGOMERY PRESIDENT

Happy Spring to All,

Our Arizona sun is shining bright, as many on the east coast are having a late winter storm. We are blessed with such beautiful weather throughout the year. The day of our Preferential Tea was one of those beautiful days. Joni had a very unique theme this year "shabby elegant". It was lovely, with beautiful baby's breath in a mason jar, sitting on top of laced burlap material as the center piece. The Phoenix Hilton Airport Hotel did a wonderful job and gave us great "Service", serving a variety of tea style sandwiches and an array of luscious desserts to choose from. We had a great turn out and we even had E.S.A. members there from other states. Our annual preferential event is a great social event to come to. If you have not been to one yet, plan on coming next year. Treat yourself to a ladies day out. Get your hair done, manicure, pedicure, or just put on one of your favorite dresses and come visit with your sisters, sip on coffee or tea, have a great lunch. The rest of the year we are all giving of our "Service" to E.S.A., as well as other organizations and a variety of events.

Definition of service 1) the occupation or function of serving in active **service**
 2) Employment as a servant entered his **service**. ... 3) A form followed in worship or in a religious ceremony the burial service or a meeting for worship, often used in plural held evening **services**.

Service Charge · Serviceable · For Services Rendered · Community Service

"Our Military Gives Their Service to Our Country" how wonderful it is that we live here in the United States of America. We all come together and share our "Service" in many different ways.

"SERVICE" The action of helping or doing work for someone. "millions are involved in volunteer service"

Synonyms: favor, kindness, good turn helping hand.

We as an organization, do a great deal of Community Service. We just have to figure a way to tap into those millions of people that are involved in volunteering their time, and bring them to our organization. I commend each and every one of you for all the "Service" you have given over the years. Please continue doing what you do. The "Service" you give is so very important and it is why we have such a great organization. I know you all do what you do because it comes from the heart. Keep opening up your heart to the community and keep your magic working. Acts of kindness is contagious. When you smile, you usually get a smile back. When you do an act of kindness, it makes that person want to do an act of kindness for someone else. Paying it forward: E.S.A. members pay it forward by their dedication and giving of their time, as well as donating of money. Our volunteerism and "Service" to our community, makes other people want to become a member and do the same.

Don't forget about hosting Council Meetings. I have already had one chapter come fourth and offer to host the January 2018 Council Meeting. We only need 3 more chapters to host a meeting and we will be on our way to filling our E.S.A. calendar for next year.

Continue to be of service in our communities showing love and support to one another in all you do.

Deana Walters - Kathy Riebock

Association of the Arts

Hi Everyone,

Well, Spring has really sprung here in Nevada! Above normal temps..... Hope this is not the indication for what is in store for the summer!!

I am hoping that since Spring has sprung, it has sprung an idea for all of you as to what you will be entering in the Association of the Arts for State Convention in June.

Remember Kathy and I had issued a challenge to "ALL" active chapters, no exceptions were granted, that there would be at least one (1) item from each active chapter. We would love to have all of you step up to the challenge and submit an entry. Like I said before, it does not have to be anything fancy, just a craft that you made with your own two hands and you want to share it with the members of the Arizona Council. Just to show us how "crafty" you really are. I know Liz would love it!

The entry form is on the website and is also included in the April bulletin. (See Page 31) You can email it to me at dwaltesa@att.net; you can snail mail it to me at 1704 Delores Ave., Henderson, NV 89074 or your 3rd choice is to hand it to me at the April 23rd meeting.

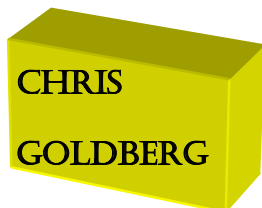

We are looking forward to checking your chapter's name off the "active" list as having accepted our challenge and stepped up to the plate! We are anxious to see all the good works of the Arizona Chapters come June!

Oh, just a reminder, from April 10th, you have **51** days to complete your project and **35** days to get me the entry before the May 15th deadline.

Hope to see many of you at the meeting.

Hugs to all,

Deana & Kathy

The calendar says spring is in the air; however it feels more like early summer. Mother Nature is busy growing new plants and that makes us busy cleaning out the flower beds of all the dead winter leaves and planting new annuals for color. That's today's world, yet in the past spring cleaning was different.

Those old memories of spring cleaning involved cleaning out the barn, washing down ALL the walls and putting a fresh coat of paint on anything that didn't move. I'm so glad those times have changed. Spring cleaning still exists, but

instead of cleaning out the barn, we clean out the garage of all those collectibles to bring to the April council meeting, since that is the LAST time to bring them for this ESA year. It is also the last Philanthropic reporting period before awards. So put the spring back into your (blank) and finish off the ESA year in style and productivity. It will also be the meeting that Alpha Omicron collects items for their Christmas in April event. So pack a small item to donate along with your collectibles. There will be room in the car.

Another spring change will be a change in the Philanthropic categories. In the past several years, there has not been enough chapters to compete for the different categories. So with the decrease in our membership numbers, it is time to decrease the number of categories from 4 to 3. I hope this is a temporary change and our numbers will go back up, but it will return the awards to a competitive reward, not just filling in the blanks.

Another change will be to the Executive board and we are inviting YOU to be a member for the new ESA year. Please bring us your new ideas, new faces and new enthusiasm to help our organization. As the old war poster said; WE WANT YOU!!! Get your qualifications in and join us for fun, wine, leadership and a seat at the head table.

Disaster Fund Chair

Dear Sisters and Brothers:

As this is the end of our year Please don't forget to bring your change jars and your generous donations for the Disaster Fund to the April Council Meeting!!

The month of April has been recognized as "Stress Month". Please take extra care and time with your sisters and brothers who you know are going through a stressful period. Please talk to them if they need any financial aid; please have them contact me to see if we could be of assistance. This is a confidential matter and only the people involved will be myself and the IC Disaster Fund Chair.

**Stress Awareness Month
- April**

Stress Awareness Month is an annual designation observed in April.

The Arizona Council needs your participation in running for a State office. We need your fresh ideas and your enthusiasm on the Board. I have made very special friendships that I will always cherish! The many things that I have learned going up the chairs is a valuable education that will be an asset to me for the rest of my life. We also need Chapters help for hosting a Council Meeting for 2017-2018.

The Preferential Tea was absolutely wonderful and we had a fabulous turnout! Congrats to Joni Slama and her committee.

The Alpha Kappa Fashion Show was wonderful. Great show, great food and great company. Kudos to the Alpha Kappa chapter.

You guys have always been so special to me for everything that you do. I will be in awe for my Sisters and Brothers in ESA forever!

As I write this, it is the middle of March and it is 91 degrees outside. Where did the winter go and what happened to the Spring weather?

Last month I was invited to a luncheon for St Jude thanking people for their various levels of work for St Jude. It was a wonderful informative luncheon where they spoke about the latest machine they have for radiology treatments. It can focus the rays to a pinpoint area and not affect healthy tissues. Very fascinating breakthrough. And of course this treatment, as always, is free to the family.

Next month on April 7th we will be doing our annual golf tournament at the Talking Stick Golf Course. I have 9 people helping to stuff goody bags for the golfers to include ESA 1st Vice President, Sandy Alexander. As always it is a pleasure working this golf tournament, even though we get started at 5am. I

want to thank in advance, Junior Past President Wendy Williams (and her guest Diana), Cyndi Sklad, Jackie Young, Fran Gale, Donna Ort, and Chris Goldberg for joining me in this great fundraiser. I'll tell you more about it next month with pictures and hopefully an amount we are credited.

I know this will come before the newsletter, but, Happy St. Patrick's Day, I hope you celebrated responsibly.

Gold at both ends of the rainbow ". Is that possible yes. When the rainbow is ES A and the gold is the opportunity to be state parliamentarian. As a 50 year plus member I can testify that being state parliamentarian is a golden opportunity for us to participate in state leadership. The job requirements are simple. First you need a basic knowledge of parliamentary procedure which you have acquired during many years of chapter meetings. If you are unsure about any rule you can quickly find the answer in Roberts rules of order. You must take Robert and the Arizona Council bylaws to all meetings council, state convention and executive board. Executive board meetings each take an extra day but they are informative and fun. Remember you are not obligated to continue up the chain of offices. This is a great bucket list job.

.
If you are on the other end of the ES A rainbow, a junior member, State parliamentarian gives you an excellent opportunity "to try Out leadership. You get to see the job requirements for all the higher offices. Thus you can make an informed decision about your future plans.

Whether you are a senior or junior the coming year is an ideal time to be a state parliamentarian because this is Joni's Second term as State President so she is well-versed in parliamentary procedure.

So throw your hat in the ring. We need some friendly competition during the election.

Wishing all of you a happy spring!

It is a pleasure to serve on the Arizona Executive board. Please consider running for the Arizona Executive board. It has been a very rewarding experience for me personally.

If you have any questions regarding the minutes please feel free to contact me.

Here is some Easter humor:

How did the soggy Easter Bunny dry himself? With a hare dryer!

What did the rabbits do after their wedding? Went on their bunnymoon!

What do you call a rabbit with fleas? Bugs Bunny. What do you call a rabbit who tells good jokes? A funny bunny.

Deana Walters Hope for Heroes

Hello to all my Arizona Hero's!

Boy, the year is flying by. We have done some great things so far this year for our American Hero's – the military men and women who protect us and our freedoms daily.

Let's not stop now. I am asking you; well let's say I am **begging** you to buy raffle tickets on the **red**, white and **blue** wreath. I know they say it only takes one "1" ticket to win, but the cause that this wreath represents is worth many many more tickets and \$\$'s. (See Page for tickets)

All the gross proceeds from the wreath raffle will be divided between Camp Hope and Sew More Comfort. I know we can do for these 2 causes just as much as we did with the gifts cards for the bases!

These wounded warriors need our help – your help – and our support as they begin and/or continue to heal. **YOU** have the power to help them. Buy tickets! How can you not help? They helped us daily stay free; now you need to help me help them in their healing process.

Tickets were sent to all chapters in the fall, they were printed in the bulletin last month and I will have plenty of tickets at the April meeting. That will be your last chance to purchase them unless you mail me your chances and money before State Convention in June.

Please be one of my hero's and help me help all our Heroes who depend on Sew More Comfort for adaptive clothing and those who travel to Camp Hope for rehab and reaffirmation back into their family and lifestyles prior to their injury. **U CAN MAKE A DIFFERENCE!**

Remember "how ESA has changed your life..." now is your opportunity to change a life of our military personnel. I am "Dreaming Big" for our hero's that AZ will come through in a "BIG WAY" for them. I pray you will not let them down.

See you in April!

Hugs to all
