## Liz Montgomery President

Happy Warm Greetings to All,

Our 100 degree weather is just around the corner, so let's reflect back on how beautiful our winter was and how nice spring has been. Spring is still here, however the temperature is starting to say summer.....

With all the winter visitors and special events we've hosted here in the Phoenix Metropolitan area, all of our guests were very **enthusiastic** about our weather. So enthusiastic, many interviewed by the local news said, they would like to move here. That enthusiasm has spread around the country, because several hundred people are moving here monthly. It would be great to capture some new E.S.A. members out of those several hundred people. Don't forget to talk up our organization as you meet your new neighbors.

Did you know **enthusiasm** is catchy? When you smile, they smile back. When you hear someone laugh, especially an infectious laugh, it makes you want to join in.

Sherry asked us to Dream Big this year and with the AZ Council's unconditional Love and Support, the **enthusiasm** became contagious. One of my goals to achieve was a state wide event. I wasn't sure at first what that was going to be. I had a few different ideas. I wanted to do something that would help the Arizona Council, as well as something fun that would bring the council members together.

We decided to do a St. Jude Fund Raising Event at the Four Points Sheraton Hotel on April 22, 2017. The guest services manager was enthusiastic about the idea. The group sales manager was also enthusiastic. All we needed to do next was get it approved by the General Manager. The General Manager was.....yes I'm sure by now you know what I'm going to say next. Enthusiastic!!!!!!!!!!

All it took was one more person to share my enthusiasm. That person was Wendy Williams. She was there encouraging me all along the way. Her **enthusiasm** and support, gave me the drive to follow my big dream for Sherry. She spent a lot of time helping me achieve this goal. When we decided to do a St. Jude Fund Raising Event,

the evening before the April Council Meeting we were hoping to get more members to attend, with family and friends enjoying an evening out together.

Next: The executive board as a team reached out to numerous newspapers locally, finding out which ones wanted to help support Philanthropic Events. This will help the Arizona Council of E.S.A. to spread the word about our organization and our future events. My heartfelt thanks and appreciation goes out to each of them for helping me. It was a too big task to take on all by myself.

Don't forget about hosting Council Meetings. I now have 2 chapters that have offered to host a Council Meeting. We only need 2 more chapters to host a meeting and we will be on our way to filling our E.S.A. calendar for next year.

Go ahead and smile, make someone's day special. Show love, support and add enthusiasm to a member that wants to do a fund raising event or has an idea for bringing in new members. It truly makes a huge difference. Also show support, encouragement as well as enthusiasm for a member that is thinking about running on the Executive Board.

Where oh where has this year gone. Seems like only yesterday that Liz was getting ready to become your new State President. It has been a great year of reflection on how ESA has forever changed our lives. Now it is time to celebrate all that we have accomplished this past year.

You should have turned in your Rushing, Membership and Outstanding Pledge forms at the April Council meeting. I keep pretty good secrets and I have a few that I will be able to share with you at the State Convention.

When you thought I wasn't looking, I saw you hang my first painting on the refrigerator and I immediately wanted to paint another.

When you thought I wasn't looking, I saw you make my favorite cake and I learned that the little things can be the special things in life.

When you thought I wasn't looking, I saw you make a meal and take it to a friend who was sick and I learned what it means to serve one another in brotherly love.

When you thought I wasn't looking, I heard you pray over me and kiss me goodnight and I felt loved and saved.

When you thought I wasn't looking, I saw you handle your responsibilities even when you didn't feel good and I learned what it means to glorify God in all things.

When you thought I wasn't looking, I saw you give of your time and money to the Church and people in need and I learned that God loves a cheerful giver.  
When you thought I wasn't looking, I saw tears come to your eyes and I learned that sometimes things hurt, but it's all right to cry.

When you thought I wasn't looking, I saw that you cared and I wanted to be everything that I could be.

When you thought I wasn't looking, I saw you praying and reading God's Word and I learned to depend on and trust in Him too.

When you thought I wasn't looking, I looked at you and wanted to say, "Thanks for all the things I saw. . . . when you thought I wasn't looking." - Author unknown.

Happy Mother's Day to all Mothers and those who love and care for us like a Mother would.

I love and miss you Mom.

Agape

**Chris Goldberg**

**Second Vice  
President**

Life is all about making memories and I can happily say that has happened this week. I have a memory of my mom saying that time just zips by and it has. As I write this, I know that it is the end of the ESA year because I have talked to so many people that are

filling out their last philanthropic report, due at the April Council meeting. Many of these people I rarely ever see in person and they have told me of the many pop-tabs that they are sending to the April meeting. I can't wait to FILL up Loralei's truck! So I say to all of you; bring it on with all of your collectibles. My wonderful committee is ready to handle everything you bring. Next up is our convention and I can happily congratulate and honor all of your fabulous efforts this year.

### Hats for the Homeless JoAnne Ciolli

I want to give each of you who helped to make this year the biggest ever for warm hat distribution in Arizona a great big THANK YOU!!!

It takes all of us to make dreams like this come true. Those of you who knitted hats, crocheted hats, bought hats, donated yarn, helped I want to give each of you who helped to make this year the biggest ever for warm hat distribution in Arizona a great big THANK YOU!!! It takes all of us to make dreams like this come true. Those of you who knitted hats, crocheted hats, bought hats, donated yarn, helped with distribution and/or hauled them from Council Meetings for me. Yes, it really takes all of us to have a successful year such as this.

### From Chris Goldberg to JoAnne

JoAnne:

What a wonderful letter! It warms my heart, even if it IS 100 degrees out.

THANK-YOU for all that you do to facilitate getting the hats to those who need them. You have truly made such a difference in our lives as well as theirs. I hope that you know that and it will help to fill a little of that big hole in your heart right now.

Recording Secretary

April showers bring May flowers!

Thank you to everyone for making my job as Recording Secretary a little bit easier. It was tremendously helpful to receive copies of your reports at the all Council meetings. This helped me with the process of keeping accurate minutes at all of the meetings. Thank you to all Executive board members for love, kindness and support. Thank you to my advisor, Patricia Gale for all of your help.

It has been an honor and a privilege to be the Recording Secretary on the Arizona Executive board. I have learned a lot about ESA and feel that I have grown as an individual. Please consider running for the Arizona Executive board. It is a very rewarding experience. It is hard to believe that I joined ESA twenty-five years ago and my sponsor was Elsie Vogler.

Thank you all for sending cards and well wishes on the loss of my grandmother Dorothy Robinson. It was much appreciated to receive the emails and cards from my ESA brothers and sisters.

There will be perfect attendance awards given out at the Arizona State Convention. See you all at the April Council meeting and the Arizona State Convention.

Here is some humor:

When do monkeys fall from the sky? During Ape-ril showers!

What does the Easter Bunny order at a Chinese Restaurant? Hop Suey!

What season is it when you are on a trampoline? Spring-time!

**Shari Smith Treasurer**

Greetings from your Treasurer,

As we begin to wrap up the year I don't have any significant information to share with you all but I do have some accounting jokes. I hope they give you a good giggle!

1. What do you call an accountant with an opinion? *An auditor.*
2. An accountant is someone who solves a problem you didn't know you had in a way you don't understand
3. What do you call a trial balance that doesn't balance? *A late night.*

Celebrate Before You Hibernate!

Bears are smart and treat themselves to all of their favorite foods before they hibernate for the winter. Arizona and Nevada ESA'ers, who are smart, treat themselves to a celebration before they hibernate for the summer.

All of us have worked hard to make life better for others. We deserve to celebrate with President Liz all of the many things that we have done during her year. You also get to see, talk with and have fun with the members from all over the state of Arizona plus

some from Nevada. You probably won't get a chance to see most of these members until September. Did I mention that there will be food and liquid refreshment?

On Sunday morning our new president, Joni, will inspire you and give you something to think about during your hibernation.

The Beta Kappa's have been working for almost 2 years to make sure that you have a great state convention. If you have not made your reservations, do it before May 12, 2017.

See you at state convention, Shirley

Dear Sister and Brothers of ESA

I can't believe it's almost May and our year is nearly over. I have so many people to thank for all of your help in contributions and mentoring me through the year.

I truly believe that being part of ESA has brought me beautiful friendships and has totally changed my life. The beauty that I have seen within each of you, the selfless acts that you all do, makes me so proud to be part of such a wonderful organization.

Please consider running for office. I hope and pray my grandchildren someday will have the opportunity to experience what we all have. We need to step up to the plate and cherish our friendships, think outside the box, and enjoy every minute. I wish there was a cure for everyone's needs and until then ESA will always be needed.

To all of you beautiful mothers, grandmothers and to those who have stepped into the role of being a mother a huge THANK YOU!!! Happy Mother's Day to all of you!

God bless our Service Men and Woman who have given their lives for our country, we thank you and honor you.

God Bless them and America.

**Proposed By-Law change Carolyn Vasko  
This will be voted on at State Convention**

Chapters and Members of the Arizona Council,

Hello everyone. It has been a while since I have gotten to speak to you all at one time. However, I wanted to speak with you about something that I believe is in the best interest of our Council.

Last year, Bylaw change was submitted to the Council to combine the Parliamentarian and Jr. Past President positions. I was unable to be in attendance for that vote as I was the IC Rep to the New Mexico State Council that weekend. However, as I understand it the Bylaw was defeated because members of the Council I felt that we would be discouraging people from running for office. While I was disappointed, the Bylaw change failed, we did get lucky and people stepped up to run from the floor for the two positions nobody wanted originally.

If you have read your April Bulletin, you will know that we are 2 candidates' short for elections again this year. I believe with my whole heart that everyone cares about the good of the Council. I also believe that while there are people who might like to run, age and time constraint play a large role in why they don't. With that in mind, it is time for us to make a change in the number of offices we have on the Arizona Council Executive Board. With that in mind, I am formally submitting the exact Bylaw Change that was submitted last year to you again, to be voted on at State Convention.

I am in compliance with the 30 day rule as it is being distributed today, April 2 and our Convention is June 2-4, 2017. I would only ask that you recognize that we have not made a change in the number of officers since 2005, when we eliminated Third Vice President. It is not something we do lightly, but it is time.

Thank you all for your consideration.

Carolyn

## **ARTICLE IV ORGANIZATION**

### **Section 3 Officers**

#### **Currently Reads:**

The officers of the Arizona Council shall be President, First Vice-President/President Elect, Second Vice-President, Recording Secretary, Corresponding Secretary, Treasurer, Parliamentarian, and Junior Past President. These officers shall be installed during the convention.

#### **Proposed change to read:**

The officers of the Arizona Council shall be President, First Vice-President/President Elect, Second Vice-President, Recording Secretary, Corresponding Secretary, Treasurer and Junior Past President/Parliamentarian. These officers shall be installed during the convention.

#### **Rationale:**

It has become increasingly difficult to find members who wish to serve on the Executive Board. In recent past years it was necessary for the President to appoint someone to serve as the Parliamentarian. Having the Jr. Past President also serve as Parliamentarian is a logical choice, as they are aware of the business of the Council and has the experience to assist the Executive board with parliamentary procedure.

We have tried to keep the position of Parliamentarian and we voted this change down last year. Once again this year, we are in a position of having two offices to fill and no one stepping forward. This is not an unusual change as many other states have combined chairs on the Executive Board and it is time for the Arizona Council to make this simple change. Additionally, it is not the first time we have eliminated a position. In 2005 we eliminated the Third Vice President. People were nervous but it was the right thing to do for the Council.

**If the above change is approved, the following changes would also need to be made.**

## **ARTICLE V DUTIES OF OFFICERS**

### **Section 7 Parliamentarian**

The Parliamentarian shall serve as Chairman of the Bylaws Committee and advise the President on questions pertaining to parliamentary procedure. He/She shall maintain and keep a permanent record of all Bylaw and Standing Rule changes. **Proposed change: Remove**

**Rationale:** There is no longer a Parliamentarian.

### **Section 8 Junior Past President**

He/She shall be Disaster Fund Chairman.

**Proposed change to read: Section 7 Junior Past President/Parliamentarian**

He/She shall be Disaster Fund Chairman. He/She shall serve as Chairman of the Bylaws Committee and advise the President on questions pertaining to parliamentary procedure. He/She shall maintain and keep a permanent record of all Bylaw and Standing Rule changes.

**Rationale:**

Removing Section 7 requires Section 8 to become Section 7. Combining the office of Parliamentarian with the office of Jr. Past President requires to the duties of the offices to also be combined.

The officers of the Arizona Council shall be President, First Vice-President/President Elect, Second Vice-President, Recording Secretary, Corresponding Secretary, Treasurer and Junior Past President/Parliamentarian. These officers shall be installed during the convention.

**Rationale:**

It has become increasingly difficult to find members who wish to serve on the Executive Board. This past year it was necessary for the President to appoint someone to serve as the Parliamentarian. Having the Jr. Past President also serve as Parliamentarian is a logical choice, as they are aware of the business of the Council and has the experience to assist the Executive board with parliamentary procedure.

**If the above change is approved, the following changes would also need to be made.**

**ARTICLE V DUTIES OF OFFICERS**

**Section 7 Parliamentarian**

The Parliamentarian shall serve as Chairman of the Bylaws Committee and advise the President on questions pertaining to parliamentary procedure. He/She shall maintain and keep a permanent record of all Bylaw and Standing Rule changes. **Proposed change: Remove**

**Rationale:**

There is no longer a Parliamentarian.

**Section 8 Junior Past President**

He/She shall be Disaster Fund Chairman.

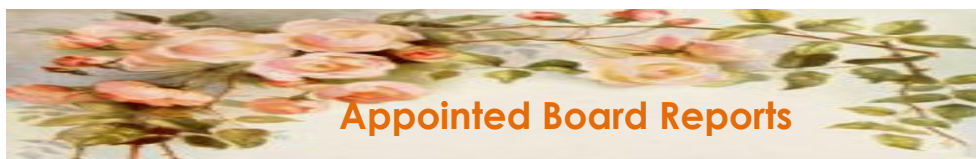

**Proposed change to read: Section 7 Junior Past President/Parliamentarian**

He/She shall be Disaster Fund Chairman. He/She shall serve as Chairman of the Bylaws Committee and advise the President on questions pertaining to parliamentary procedure. He/She shall maintain and keep a permanent record of all Bylaw and Standing Rule changes.

**Rationale:**

Removing Section 7 requires Section 8 to become Section 7. Combining the office of Parliamentarian with the office of Jr. Past President requires to the duties of the offices to also be combined.

## Appointed Board Reports

### **Kathy Riebock Member of the Year**

Dear Members,

We are rapidly coming closer to our State Convention in June. Many of us have other jobs and duties that keep us occupied.

Please take the time to think about the sister or brother in your chapter that has gone the extra mile. Although we all go above and beyond I know there is one special person that has made your year better. It may be just that they were steady when others were “too busy”, or that they took the time to send cards that made you feel loved. Send me their name, a bit about them, **\$7.00** to cover a small gift, and let me recognize them at the State Convention this June. The form is attached see page 29.

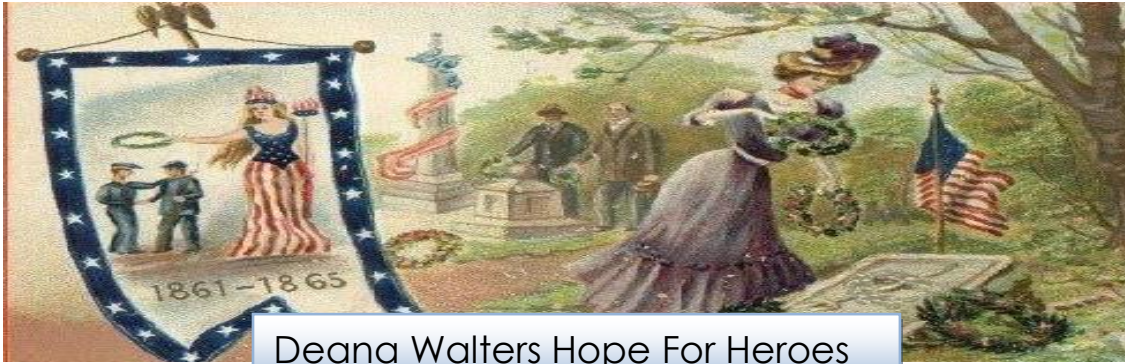

Many thanks for ALL you do!

### **Louanne Stephens Easter Seal Chair PHX**

Southwest Human Development is the Easter Seals organization for the Phoenix area. They are a multi-faceted organization helping in early childhood development, childhood disabilities, literacy, head start and child welfare. They have had several volunteer opportunities this year for ESA. I would like to again thank the following for helping out – Lisa Reinertson, Fran Gale, Donna McAvoy, Barbara Nelson, April Aguinaga and Joni Slama.

Also a big thanks to the chapters in ESA for remembering Easter Seals with your contributions.

Deana Walters Hope For Heroes

Hi Everyone,

Wanted to let you know that all the heart pillows that we worked on in January were delivered to the VA Hospital in Las Vegas. They were received with open arms and one was given to a patient before we left the surgical floor. They were so so happy to get them! I have sent two pictures that we took while we were there. Thank you so much for helping! U made a difference!

I will be taking all donations via US mail if you still want to buy a raffle ticket for the wreath. Copies of the tickets will be in this issue. (\$1.00 each of 6 for \$5.00)(See page 33). There will not be any tickets sold at State Convention.

PLEASE PLEASE PLEASE help me make a difference for those who need adaptive clothing to heal with dignity and do not have to wear those awful hospital gowns and to help those wounded warriors to go to Camp Hope. We can help them heal and as I have said before and cannot say it or stress it enough; "it is a small price for us to pay or give in relationship to what they paid and did for us to **keep us free!!**" **Remember: They made a difference for us so we need to make a difference for them!**

Hugs to all,

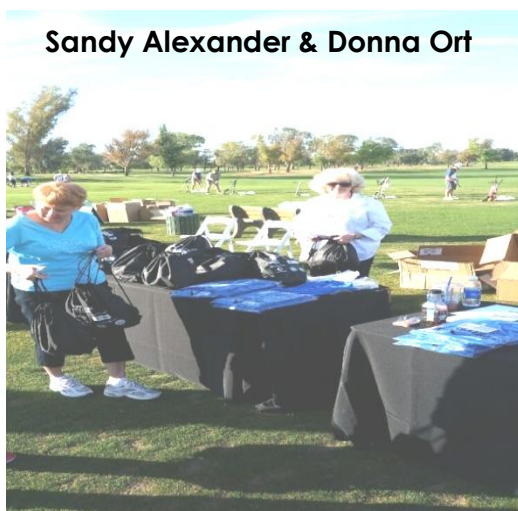

**Jeff Goldberg ESA for St. Jude Sr.**

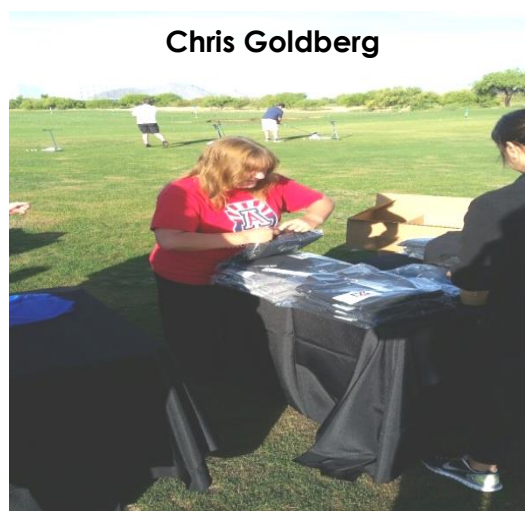

FORE is the warning sound one yells when a golf ball is coming your way. Fortunately no one hit a ball coming our way, but we were a hit at the Giant/Western Refinery Golf Tournament benefiting St Jude Children's Research Hospital. We were out in force at 5:15 am to fill the golfers snack bags. After filling the bags we were there to hand out their jackets, shirts and of course the bags.

There were 9 of us representing ESA and 1 Guest. We had a wonderful time and only wished we had room for more. I want to thank everyone for coming out so early. Those that help are ESA International 1<sup>st</sup> Vice President/President Elect Sandy Alexander, Arizona Council Junior Past President Wendy Williams, Cyndi Sklad, Jackie Young, Fran Gale, Donna Ort, Donna Hall, Chris Goldberg, and myself, Jeff Goldberg. We were joined by a friend of Wendy's, Diane Caldwell. Chris and I chose to get up at 2 am to drive up from Tucson with room for two more for our annual trek.

As of this writing, we do not have a dollar figure of what we will be credited with, but it will be revealed at convention.

Hi Everyone,

Time is ticking by quickly and I only have received one.....1..... Association of the Arts Entry. We just want to remind everyone that a challenge was issued to each active chapter to have at least one entry. We know you all can do that. Every chapter must have at least one crafty person or let the most craft challenged person do something to submit an entry. Let them step out of the box or our comfort zone and create an entry. We want to make Liz happy. Remember last year, she stated she was one of the craft challenged members, but she found a way to submit an entry. No excuses will be accepted.....Form is included again on page 34 and can be located on the website.

Get busy, get your item ready and send me the form via email or US mail. Deadline is May 15<sup>th</sup>. **COUNTDOWN** - From April 15<sup>th</sup>, you will have 47 days to complete your item(s) for entry and 30 days to get your entry form in the mail!!

Please make my mailbox smile.....

EPSILON SIGMA ALPHA INTERNATIONAL  
ETA PI CHAPTER #5575

April 4, 2017

Dear Madam President Liz and the Arizona Council:

It is indeed a privilege and honor for Eta Pi # 5575 to endorse our sister, Shari Stapleton-Smith for an office on the Executive Board of the Arizona Council of Epsilon Sigma Alpha International.

Shari has served as the Arizona Council Treasurer this past year and has done an outstanding job in that office. She has also served as our chapter secretary this year and has kept our chapter well informed and on track. She encouraged us to think "outside the box" when we hosted the January council meeting and was able to work with two non-profit organizations for the meeting for our venue and catered lunch. Shari always gets "the job done" with efficiency and speed and is respected and admired by all who know her.

It is with much love and pride that the Eta Pi sisters place her name for consideration for a position on the Executive Board.

Thank you,

Jacqui Smith
