

## **Coupons for the military**

We are still collecting coupons (even expired) for the Military. Coupons are only accepted at the Military Bases overseas. The name of the organization is Overseas Coupon Program; the website address is <http://coupsfortroops.org> or <http://ocpnet.org>. The website lists the military bases that need adopted and will accept the coupons. Please follow closely the directions.

It is recommended that you use priority flat rate padded envelope #EP14PE. They are 9.5x12.5 and can be ordered on line through the Post Office. They are free and it takes about 1 week to receive them. The labels and overseas form can be picked up at your Post Office. Be sure on the overseas form you do not mark express.
