IT'S JANUARY! Welcome to 2019!

The entire Arizona Council wants you and your family to have a Happy New Year and great wishes for each and every day in 2019.

I'm starting the new year by thanking you, "the membership" for allowing me the honor of being your president and for all the unforgettable and great memories you gave me in 2018. We made HISTORY! I look forward to serving you in 2019 and doing more new things that will challenge US to make a positive difference in our world and touch the lives of others. If it does our heart good to help another person. Please love whatever you do and do whatever you love.

My New Years' GIFT to you is a blueprint to leaving a legacy from "The Christmas Snow" movie:

THE gift of faith: That you would have a love for God in your heart.

THE gift of friendship: That you would learn to love others deeply.

THE gift of peace: That you would embrace family, no matter the circumstance.

And MOST of all

THE gift of forgiveness: That you would discover the healing and restoring power of forgiveness.

I have printed that out to have right by my computer to read each day I check my emails so my aging mind will remember to do just those things.

HAPPY NEW YEAR!

The picture below is why we do what we do for St. Jude. The little Jr. Golden Knight on the left with the mask was diagnosed with leukemia right after they started playing hockey. He is on my youngest grandson team. We send prayers to him and his family.

So when events come up for St. Jude, Ann and I hope that everyone will step up to do all that you can so that St. Jude can continue the fight to overcome the cancers that invade the bodies of those precious children.

Thanks to all who worked the radiothons in Las Vegas and Phoenix. You have made a difference and we need to continue to do so.

Hope everyone enjoys the holidays.

Hugs to all  
Ann and Deana
