May 2021

Volume LXXVII, Issue 8

Dearest ESA Family,  
Thank you to everyone who attended the April Council Meeting, it was really rewarding to see many faces I haven't seen in a while. It's hard to believe that was the last Council Meeting of the year! I've got some updates for you all.  
At the Council meeting, the council voted to set aside the rules of election in our bylaws for the 2021-2022 year and allow the current Executive Board to continue in their current positions for one more year. That means you are stuck with us again! The Executive Board members are excited to continue to serve the membership.

♥ We still need a Recording Secretary for the Executive Board; if you are interested, please let me know. The position will be an appointed position for this year since we will not be holding elections.

♥ The Arizona Council Convention will be held virtually.

- There will be a drawing for prizes – you will be automatically entered when you register!!
- Our IC Representative, Linda Schmidt will present a workshop as part of our convention.
- For those of you who have been doing zoom events, if you have any good ideas for activities to add, please feel free to share!

♥ **IC Convention:** At this time, IC Convention is still scheduled to be in person. Check out the information on the attached registration form. If you'd like to learn more about convention you can go to this link:

<https://www.epsilonsigmaalpha.org/about/ic-council/convention>

♥ **President's Packet:** We are changing things up for the President's packet this year. Patti Gale will reach out to each chapter to collect membership, rushing

and pledge forms and the Roster Co-Chairwomen will be reaching out to get roster information from you all.

💖 · IC Candidates: Attached is a list of all the IC candidates for your chapter to consider. We'll be talking more about this at the Convention.

Thank you to Beta Gamma for hosting the April Council Meeting and a special thanks for their gift to me, it couldn't have been more perfect! I'm kind of a minimalist so in lieu of things, I love doing good in the world. I received a flock of chicks! Now, if you are confused, check it out. Through Heifer International, in my name, a community will receive a flock of chicks to boost their economic conditions. Heifer International's mission is to end hunger and poverty in a sustainable way by supporting and investing alongside local farmers and their communities.

Here are some reasons why a flock of chicks can make a difference:

Chickens require little space and can thrive on readily available scraps; this allows families to make money from the birds without spending much. And since a good hen can lay up to 200 eggs a year, a flock of chickens gift provides a steady source of nutrition and income. A flock of chicks changes lives. A flock of chickens gift donation helps provide a family in need with a starter flock of 10 to 50 chicks, along with the training that will empower them to turn your donation into a lifetime of opportunity.

Each flock of chicks:

- o Provides eggs and protein for nourishment
- o Boosts income through sales of extra eggs and offspring
- o Ensures security for generations through Passing on the Gift

As always, stay safe and remember, tell someone you love them today!

You can ALWAYS call me if you have questions, suggestions or concerns – 831-227-3880. You can email me too.

Yours in service,  
Shari Stapleton-Smith

# 1<sup>st</sup> Vice President

Greetings All,

I hope that you all are enjoying the beautiful weather before things get too warm. I enjoyed seeing many of you at April's Council meeting. I am so looking forward to State Convention to see you all again. Emails will be going out shortly to chapter presidents with Outstanding Pledge, Rushing and Membership forms. Please return those to me by May 14, 2021. As I will be continuing for the next year as your First Vice President in charge of membership, please continue to send me any and all ideas that you have for how to not only how to bring new members in, but also how to keep our existing members. One of the parts of our Three-year plan deals with communication, so how are we doing? Please send me any suggestions, questions, or comments about how you feel communication has been going this year. The executive board will be sending out a survey to the membership in the near future about how things have been going this year and was that we can improve.

Take care and stay well, Take care and Be Well

# 2<sup>nd</sup> Vice President

Happy May to All!

Well, as we begin to wrap up a year that has been quite different, and in some cases, exceedingly difficult but we are ESA Strong in every sense of the word and

we have definitely shown that this year! Give an ESA member a challenge...watch out there is no stopping us - we go full force!

I want to thank everyone who joined us for the April Council Meeting. Hope you enjoyed seeing so many even through not in person, you could see those smiling faces. It was great so see all of you. We need to continue to think positive that we will be able to enjoy each other "live" in the fall! Keep your positive thoughts going..... and those fingers crossed!

To all the chapters and their members who thought outside the box to find different things that we, as ESA, could lend a helping hand in so many projects across our communities to make a difference to those who may have needed it. I know you are very much appreciated by so many people who needed the help. You may never know who they are, but in your heart, you know you made a difference. Some examples of your helping hands are the following: helping teachers with miscellaneous items to help them save money by donating to them many items we recycle, donating books and the funds to send the books to our military and their families, buzzy hands knitting hats for the homeless, working at a food pantry, donating food to the food pantries, helping out our animal shelters, clipping and mailing coupons to our military bases overseas, bagging to ensure children have food for the weekends, donating clothing items we no longer needed and donating to the homeless or to shelters for abused and the list goes on and on and on. No one does it like ESAers do in a time unlike any other times we have been through. On top of all these projects, we continued to do all that we could for St. Jude, Easterseals, Hope for Hero's and Ronald McDonald House and all your regular chapter commitments. When a challenge is presented to ESA members we are at our best! Our hats are off to all of you for going above and beyond and again thinking outside the box!

Thanks to all of you for reporting all the many hours, miles, and dollars we have donated this past year. You are Super! Remember to continue to track all your philanthropic hours, miles, etc. to be ready to report on the November 2021 report.

Please be sure to continue to sell the raffle tickets for the council and maybe you or someone you know can be among the lucky winners along with St. Jude and Easterseals. Reach out to family members, friends, co-workers or even you

neighbors. If you do not have tickets, there is still time to contact Jeff Goldberg and get them.

Please do not forget to register for State Convention. It will be virtual, but we want you and your smiling face on our screens. By registering, YOU could be a lucky winner of a bag (made with love) and a gift card and maybe other items. Please register. We want to see all of you.

Until we see you on our screen, please take care, be safe and if asked to, wear your mask. We will get through all of this.....

Hugs from Vegas

Greetings All,

It has been quite a year, hasn't it? As we move closer to our State Convention we are in need of pictures and information for members of the Arizona Council who have died this last year. Please send those to Patti at [nacomagale@gmail.com](mailto:nacomagale@gmail.com) or 9801 E Paseo San Rosendo Tucson AZ 85747 by May 24th. Please reach out to either of us if you have any questions.

## **Greetings one and all!**

We need your hard back and soft back books and a little cash so the HOPE for Heroes Chairs can mail Books to military locations over seas and to veteran's organizations in the states. If you write a check make the check payable to the Arizona Council ESA and designate it Hope for Heroes.

Mail your check to Kendra Sabol (28806 N. 49th Way, Cave Creek, AZ 85331) to be recorded for reporting purposes and Kendra will send the check to the Treasurer of the Arizona Council to be designated for Hope for Heroes. If you are donating books, you can leave your monetary donation with the books also.

Elizabeth Castle has joined Operation Paperback as a volunteer so she can get addresses for the military overseas and in the states and ship books directly. She

shipped 48 books to two different APO boxes in Fort Worth, Texas since they requested books for their libraries for leisure reading. Liz, being the librarian in Summerset, where she lives, says she is working on her next box since she can get plenty of books. Liz , a Beta Delta member, lives in Brentwood, California. She will get donations from those who use the library to help defray mailing costs.

We hope you read the thank you letter Liz received. We appreciate Liz taking Operation Paperback to California and for stepping up to become a Volunteer.

The second big event is the golf tournament on May 14th from 7:30 to 1. Some of our normal golf volunteers will be snowbirding OUT of Arizona, so we need other people to step up and help. Please read the letter from Annette Mather. By clicking on the link, you can go to the website with all the details. We are being asked to help with set-up at 5:30, checking in the golfers at 6:30, selling mulligans and raffle prizes, and helping set up the silent auction and assist with giving out the prizes. You can do any or all the jobs. It is OUTSIDE, there will be masks and social distancing and many of us have been fully vaccinated. It is a great way to partially end the volunteer isolation from the last year and socialize with your sisters and brothers. If you just want to sign up with me, I will get you entered onto the website and get you a really good job. It is exciting to be able to do some good work again since the pandemic.

## Alpha Omicron Chapter #2520 ESA Umbrella Project Silent Auction Fundraiser

The Alpha Omicron Chapter (AZ) is auctioning a beautiful, hand-painted umbrella by The Umbrella Project (get all the details on this wonderful organization at <https://theumbrellaproject.org/>). The Umbrella Project is one of our chapter philanthropic projects. *Why an umbrella? The umbrella is a universal symbol for protection from the storms of life.* Created especially for Alpha Omicron, the umbrella is 40 inches in diameter when opened, has a comfortable handle, a button release, and is easy to collapse. It is painted with waterproof markers. As you can see from the pictures, this umbrella would be a treasure for any ESA member to own.

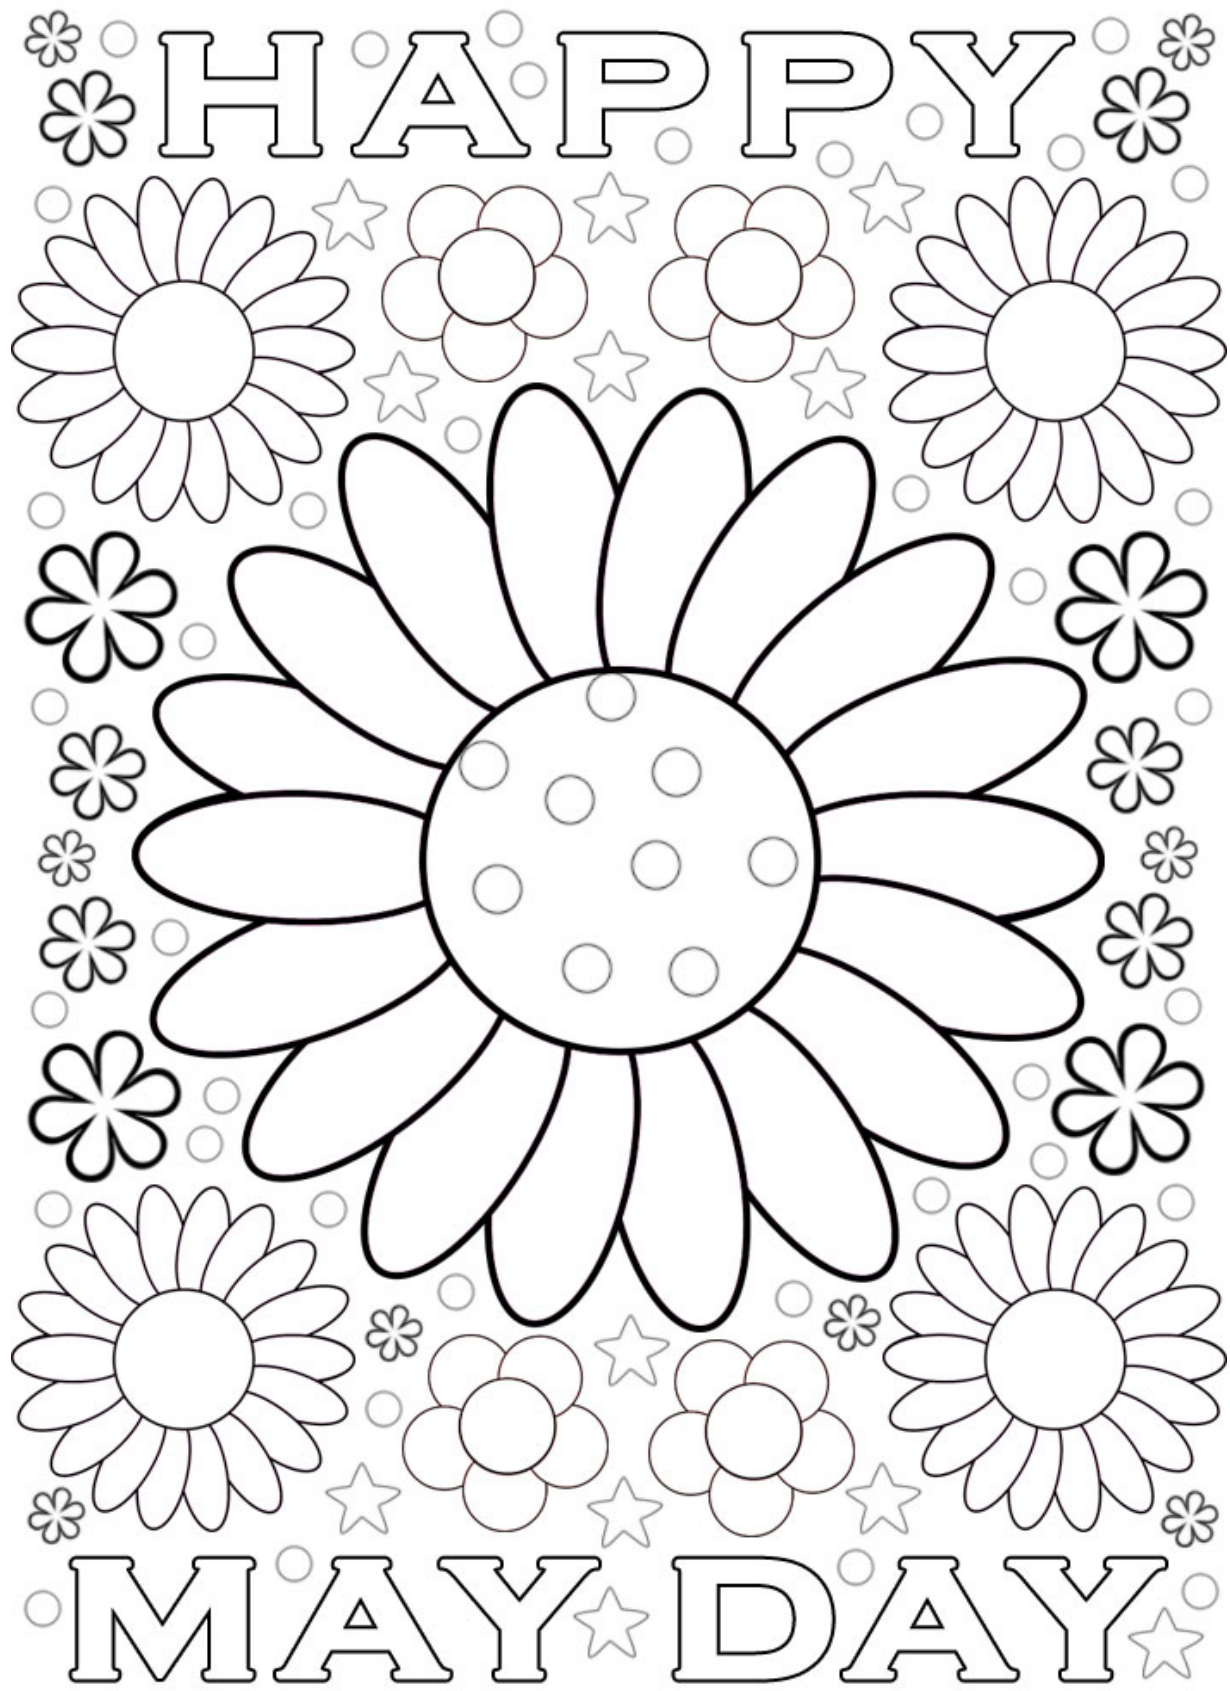

In order to facilitate this fundraiser, we are offering this ESA-themed umbrella via silent auction. To place a bid, go to:
