Opening Ritual

Members, we meet again to light our lamps from a common flame. Let us face this day with faith, with patience, with a prayer for understanding. We remember our common heritage, our common responsibilities, our common goal. We will keep faith with that trust vested in us. And may sincerity and tolerance guide us as we remember to say....I AM ESA.

Closing Ritual

Eternal Father, keep our flame from which we light our lamps ever bright in our own hearts, that the rays of Epsilon Sigma Alpha may light the way for Member's feet wherever we may go.
