ARIZONA STATE COUNCIL
2023-2024

Happy Fall to All,

Hope all of you are doing great. I need to give a shout out again to the “Has Beens” for a great meeting to kick off our new ESA Year! Hope all that attended had a great enjoyable time. Hopefully we can continue this throughout the year. Great information, good times and good food. Going to be a hard act to follow.

Speaking of following...hope many of you are planning to follow us and plan on attending the November Council Meeting being held in Henderson, NV. It will be on Sunday November 12th, and we are holding an event on Saturday the 11th. The Bunco Event will be for Hope for Heroes, with the net proceeds going to Hope for Heroes to help with the needs of the military and help to pay shipping on all the boxes going to them via our Hope for Heroes Chairmen.

We will be sending out the flyer and hotel information soon. Please mark your calendars for the 11th and 12th of November and maybe plan on carpooling to help with gas expenses and maybe get someone who needs a ride to get to come. We are looking forward to seeing many of you! Don't worry about not knowing much about Bunco, we will have a practice round explaining how it all works! Remember if is for the Military!

For those of you who could not join us in Prescott, I am asking April to add the new things from Headquarters and from the Foundation. If you have any questions, please reach out to Terrie Rust on “The Power of Us” for more information and Kathy Riebock of the “Pathway Program” for the Foundation. Both new programs will help us spread the word for ESA and allow us to grow. We need everyone

to reach out to seek new members, men and women. Invite them to help on philanthropic events and always remember to have your information to share with them and maybe invite them to your next chapter meeting. Never hurts to ask!

Please enjoy the cooler weather coming our way. Looking forward to seeing many of you again in November! Always remember, if you have any questions, please feel free to reach out to me or any of the board members or any of the appointed board members to help you out! We are all here for you!

Looking forward to seeing many of you in November. Don't forget October is recruitment time for ESA. Reach out and ask!

See you soon!

Hugs to all

1st Vice President

It was really great to see familiar faces at the September Council meeting. I enjoyed re-connecting with some who have not been able to attend a Council meeting for a while. I realize not everyone can attend every Council meeting, but I hope everyone will try to attend at least one this year. Don't let distance keep you from attending. Let's get those ride shares set up. Load up your vehicle with ESA members who might not otherwise be able to attend those meetings. Reach out through the Octotillo Express if you'd like to catch a ride/share a room.

I hope each chapter is planning to participate in The Power of Us, either through an event for Association, Education, or Service. Completing the form to submit your information to ESA Headquarters is easy. A sample printout was distributed at the September Council Meeting and also provided individually to some chapter Presidents not in attendance (it's linked on the Power of Us website). Please let me know if you hold a Power of Us event and if you submit your event to ESA so I can recognize you.

Also, submit that information (and pictures!) for the Bulletin so other AZ members can celebrate with you.

I am looking forward to meeting those members/pledges who will be attending our Council meetings for the first time. Chapters: please email me the member or pledge name and contact information. We need to be providing a proper welcome to these new faces.

At last January's State Council meeting, we were treated to the First Pearl recognition of several members from Alpha Chi. I'd like to continue similar recognitions. Please reach out to me if your chapter has members attending a Council meeting who should be likewise honored (this could include other recognitions, as well).

Happy Fall. Let's carve out some ESA memories!

Terrie Rust

THE POWER OF US

ESA members are powerful. The friendship, service, and connection members make in ESA changes lives, and that power shines brightest through the values shared by members across this great organization. We will be celebrating the bright superstars of ESA throughout the 2023-2024 year through The Power of Us - the collective, incredible power that comes when members do good works in their communities in the name of ESA.

As you host events, volunteer, and fundraise for great causes this year, submit your stories to ESA Headquarters for a chance to be recognized and earn national awards at epsilonsigmaalpha.org/PowerOfUs. The Power of Us campaign is a way to show the world the power of ESA by amplifying our collective impact.

Learn more about earning **The Power of US: Star Status**, **The Power of US: National Star Award**, and **The Power of US: Best in Show Star Award** on the ESA website.

HOW TO PARTICIPATE

In accordance with the three pillars of ESA, members and chapters are challenged to complete an activity that falls under each of the Education, Service, and Association categories. Together, these three pillars create and highlight The Power of Us.

THE POWER OF EDUCATION: Chapters and individuals are encouraged to grow their knowledge through their ESA membership

- External (ie. special chapter-hosted educational event open to the public)
- Internal (ie. take a class or attend a seminar as a chapter or individually)

THE POWER OF SERVICE: Participate in a volunteer or fundraising activity, either individually or as a chapter

- Volunteering (ie. Halloween craft with Easterseals)
- Fundraising (ie. silent auction benefiting St. Jude Children's Research Hospital®)

THE POWER OF ASSOCIATION: Share the ESA love! Your event must include at least one guest.

- Community Outreach (ie. recruitment event)
- Social Activity (ie. scavenger hunt, costume party)

What do you like to do on your down-time? Decorate cakes, doodle, draw, paint, make soap or candles?? I know there are several other crafty things that our members do while relaxing. I would like to challenge each chapter to have at least one entry for the Association of the Arts for next June. See next page for the form to give you ideas of the divisions.

And finally, I want to encourage our members to start thinking of those Junior High and Senior High Students that they feel are deserving of the Outstanding Youth Awards. I have the existing guidelines (attached) but I do not yet have the details around when entries are being accepted. As soon as more information is available, I will share.

OUTSTANDING YOUTH AWARD

THERE IS AN AWARD FOR AN OUTSTANDING SENIOR HIGH YOUTH AND AN OUTSTANDING JUNIOR HIGH YOUTH. THERE ARE SEPARATE APPLICATIONS AND NOMINATION FORMS FOR SENIOR HIGH AND JUNIOR HIGH NOMINEES.

PURPOSE: To honor our young people for outstanding academic achievement, leadership and community service.

INFORMATION: This award is a chapter level award and may be submitted to the International Council Outstanding Youth Award Chairman by the chapter awards chairman, chapter president or through your State Awards Chairman. Since Arizona holds a State competition, the State winner may also be submitted for the IC award. The Youth Award is open to DESAs and MESAs as well as youth outside of ESA.

SEND ENTRIES TO: The current State Awards Chairman. The chapter and/or state whose youth is selected as the winner of the IC award will be notified as soon as judging results are received and said chapter or state council is responsible for arranging travel to the convention city. Please keep in contact with the IC Youth Award Chairman as to travel plans, etc. Arrangements for lodging will be taken care of by the IC Chairman.

May we remember, our youth see things we've never imagined and feel things we've never known. Their visions, their hopes and their dreams are gifts to us. This is our gift to them!
